Correction of the semi-annual consolidated report for the year 2011

LPP SA Management Board informs that in the interim condensed consolidated financial statement for the period from 01.01.2011 to 30.06.2011 published on 29 August 2011 there was mistakenly omitted one of the rows showing in Table no. 2 Consolidated Balance Sheet of LPP SA CG particular components of long-term liabilities, i.e. Other Long Term Liabilities that represent a small part of total long-term liabilities presented in the correct amount.
