PROMOTIONAL ACTION REGULATIONS –
99% DISCOUNT PROGRAMME

§ 1

These Rules and Regulations outline the terms and conditions that apply to every participant in the Promotional Campaign for purchasing products from the Reserved, Cropp, House, Mohito, and Sinsay brands (hereinafter referred to as "LPP Brand Collections"), excluding products of other brands. Participants can receive a discount of 99% (ninety-nine percent) off the current retail price at any brick-and-mortar store of Reserved, Cropp, House, Mohito, or SINSAY (hereinafter referred to as "LPP Brand Stores") or in the online store/mobile application of each of these brands, provided that the amount of the discount applied to the amount payable does not exceed the amount specified on the Discount Voucher or in its description (hereinafter referred to as the “Discount” and the “Discount Voucher”). The Organizer of the Promotional Campaign – the -99% Discount Program – is LPP S.A., located at ul. Łąkowa 39/44, Gdańsk (hereinafter referred to as "the Organizer").

§ 2

The Promotional Campaign – Discount Programme is intended to promote the Organiser’s products and brand by reaching the widest possible range of customers and encouraging them to make purchases in the Organiser’s shop chain.

§ 3

1. The participants of the Promotional Campaign – Discount Programme are people who receive the Discount Voucher. These will be, in particular, the Organiser’s staff, its business partners and their staff as well as people providing services to the Organiser under civil law contracts and anyone else who receives the Voucher. The Vouchers can be passed on to anyone, in particular family members and friends, who can benefit from the discount on the same terms as the original Voucher holder.
2. All Discount Vouchers are bearer vouchers.
3. The Vouchers can be redeemed in any LPP Shop in Poland or LPP Online Shop, namely the following: https://www.reserved.com/pl/pl/, https://www.mohito.com/pl/pl/, https://www.sinsay.com/pl/pl/, https://www.cropp.com/pl/pl/, https://www.housebrand.com/pl/pl/ (“Online Shops”), or in the Reserved, Mohito, Sinsay, Cropp or House mobile app (“App”), where different rules for redeeming the Vouchers may apply depending on the sales channel.
4. The Discount Vouchers may be in both electronic and paper forms. Each Discount Voucher has a unique QR code and an alphanumeric code. Discount Vouchers made available in the Organizer’s IT system must be downloaded by the Promotional Campaign Participant before they lose access to the system. Any Discount Vouchers that have not been downloaded will expire upon the Participant losing access to the system.
5. It is not permitted to charge anything for the transfer of the Discount Voucher to a third party.
6. Discount Vouchers entitle the holder to purchase products from LPP Brand Collections with the Discount within the period specified in the Voucher. The Promotional Campaign does not apply to products of any brands other than LPP’s own brands (RESERVED, CROPP, HOUSE, MOHITO or SINSAY).

§ 4

1. The basis for granting a discount on the purchase of goods is a valid Discount Voucher that:
   a) has been issued by LPP S.A. based in Gdańsk,

b) has a unique QR code and an alphanumeric code,
c) shows no mechanical damage,
d) has not been previously redeemed,
e) matches, in all its features, Vouchers issued and marketed by the Organiser,
f) has been presented for redemption before the expiry date specified on the Voucher.

2. Whenever a Voucher presented for redemption does not meet the above requirements, the Organiser shall have the right to refuse to redeem the respective Voucher.
3. Whenever it is reasonable to suspect that the Voucher presented for redemption has been altered or forged, the Organiser shall have the right to retain the Voucher in order to determine its authenticity.

§ 5

Using the Voucher in an LPP shop

1. When a Discount Voucher is used at an LPP Store, Online Store or via the Application, it entitles its holder to a one-time discount of 99% calculated on the basis of the retail price currently applicable in the relevant sales channel, provided that the discount does not exceed the amount specified on the Discount Voucher or in its description.
2. The Discount is for full-value, discounted and promotional goods.
3. The Discount is calculated on a pro-rata basis for the entire transaction, for all items on the receipt (excluding products of other brands).
4. Any purchase amount exceeding the amount specified on the Discount Voucher or in its description is no longer subject to the Discount. A Programme Participant purchasing goods in an LPP Store, online store or application using the Voucher shall pay the entire amount in excess of the Discount (e.g. if the maximum amount specified on the Discount Voucher is PLN 100 and the total purchase amount is PLN 249.99, the Participant is required to pay PLN 150.99).
5. Each Discount Voucher can be used only once; once used, it expires, regardless of the value of purchases made using the Discount Voucher.
6. When combining the Voucher with other promotional campaigns or discount programs (e.g., a 25% employee discount), discounts are applied in the following order: promotional campaigns in the stores, the Discount Voucher, and then the 25% employee discount. The combination of Vouchers with other promotional campaigns or discount programs is allowed only if the regulations or rules of those campaigns or programs do not prohibit combining them with other promotions or discounts.
7. In order to use the Discount, at the time of purchase the Voucher holder shall provide the shop employee with the unique QR code or alphanumeric code found on the Discount Voucher. In order to use the Discount in the Online Store or Application, the holder of the Discount Voucher is required to enter the alphanumeric code provided on the Discount Voucher in the shopping cart at the time of purchase.

§ 6

1. No Voucher can be exchanged for cash.
2. No Programme Participant may claim a cash equivalent in exchange for the Voucher Discount. No Programme Participant may claim any other service, good or benefit in exchange for losing the right to receive the Discount.
3. Losing the Voucher (i.e. a unique code) shall result in the expiry of all rights embodied in the Voucher. The Voucher shall not be replaced.
4. Programme Participants shall not have any claims against the Organiser for the loss of their Voucher.

§ 7

1. Complaints about goods purchased with a Voucher shall be processed based on generally applicable regulations. The product price is the price actually paid by the customer for the product that is being returned (i.e. the amount after the Discount has been redeemed). In the event of withdrawal from the agreement, the Discount amount shall not be refunded, nor shall a new Discount Voucher be returned, reproduced or issued.
2. Items purchased with a Discount Voucher are subject to the Organiser's standard rules on returns (i.e. withdrawal from the agreement), with only the price actually paid by the customer for the product being returned (i.e. the amount after the Discount has been applied) being refunded. The Discount amount shall not be refunded, nor shall a new Discount Voucher be returned, reproduced or issued.
3. Any disputes relating to the exercise of the rights embodied in the Vouchers shall be settled by a court of general jurisdiction.

§ 8

1. All possible complaints and demands regarding the redemption of the Vouchers shall be addressed by the Programme Participant in writing to the Organiser's registered office within 14 days from the date of purchase or attempted purchase.
2. Any disputes relating to the exercise of the rights embodied in the Vouchers shall be settled by a court of general jurisdiction.
3. The Organizer shall not be liable for any disputes arising from the exercise of the rights contained in the Vouchers if such disputes are attributable to the Participant of the Promotional Campaign or third parties.
4. These Rules and Regulations apply to Discount Vouchers with a unique QR code and alphanumeric code.
5. The Organizer reserves the right to amend these Rules and Regulations during the Promotional Campaign. The amendment shall take effect from the date of publication of the updated version of the Rules and Regulations on the website www.lpp.com; thus, the current and binding version of the Rules and Regulations is available on www.lpp.com. This amendment does not affect purchases made by Promotional Campaign Participants who completed them before the publication of this information.
